BACKGROUND

ABOUT

Final year software engineering student with 10-month internship experience at Virtusa. Proficient in Web Development and Machine Learning. A quick learner, team player, and self-starter who takes ownership of work and delivers quality software projects on time and within budget. Excited to launch my career as a software engineer and contribute to a dynamic and innovative organization.

WORK EXPERIENCE

Intern-Delivery, Virtusa Consulting Services Private Limited

Jul, 2022 - May, 2023   ⏱ 10 months

During my time at Virtusa, I gained hands-on experience working on projects and developing my skills in Angular and Spring Boot. I also improved my ability to collaborate with cross-functional teams, communicate effectively, and manage my time efficiently.My responsibilities included:

- Collaborating with project managers and senior developers to understand project requirements and specifications.
- Designing, developing, and implementing software solutions using Angular and Spring Boot.
- Writing clean, maintainable, and well-documented code.
- Testing and debugging code to ensure high-quality software delivery.
- Collaborating with cross-functional teams to deliver projects on time and within budget.
- Continuously learning and adapting to new technologies, tools, and processes.

</> PROJECTS EXPERIENCE

- **Pinterest Clone**

- Present

Project made for Free Code Camp course

- **Burger Builder**
  - Present

Project made while learing react

- **Flask Blog**
  - Present

Blog website with flask backend

- **My portfolio**
  - Present

Website for my portfolio

- **Nexter**
  - Present

Layout design for a dummy real state project called Nexter

- **Trillo**
  - Present

Layout design for a dummy hotel project called Trillo

- **Snippetor**
  - Present

Online editor for JS, C, TS, C++ and Python

- **NetMeet video calling app**
  - Present

Project made with react node.js typescript

✂ SKILLS

Web Development

| HTML | CSS | SASS | Javascript ES6+ | React | React/Redux | Next.js | Python/Flask |

| PostgreSQL | MongoDB | Mongoose | Tailwind CSS | Express | NodeJS | REST | Socket.io |

| Typescript | Swagger/Open Api 3 | Django | Java |

Machine Learning

| Python | Pandas | Numpy | Scikit-Learn | tensorflow |

🎓 EDUCATION

Computer Scienece And Engineering, Bachelor, Meghnad Saha Institute of Technology 9.48 CGPA
Jul, 2019 - Present

Science, ISC, The Modern Academy 93.25%
Jan, 2017 - Jan, 2019

Science, ICSE, lycee 87.6%
Jan, 2015 - Jan, 2017

🪪 CERTIFICATES

Oracle Certified Associate, Java SE 8 Programmer, Oracle
Issued on: Apr 24, 2023

🧍 VOLUNTEER WORK

Sponorhsip Manager of ACM Student Chapter, MSIT
Mar, 2021 - Jan, 2022

Managing meetings, organizing events and representing ACM in college campus
